Objective

Aspiring web developer with a strong desire to be creative and to use innovative approaches to solve problems. I excel in both team and individual environments, with a strong passion for technology and problem solving. I want to use my web development experience to produce powerful, user-focused digital experiences.

Technical Skills

Languages : Core Java, JavaScript
Backend : Node.js
Frontend : Html5, Css3, React.js, Next.js
Databases : SQL, MongoDB
Developer Tools : NPM, VS Code, GitHub, Eclipse IDE
Design Tools : Figma
Soft Skills : Analytical thinking, Communication, Adaptability, Time Management

Experience

Codestrup Infotech, Pune

April 2024 - Oct 2024

React.js Intern

- Worked as a **React Developer** at CodeStrup Infotech, focusing on developing and optimizing web applications .
- Built responsive and dynamic user interfaces using **React.js** and **Next.js** frameworks.
- Collaborated on UI/UX designs and implemented prototypes from **Figma** into functional components.
- Optimized code for performance and scalability, ensuring seamless user experiences.
- Gained experience in **RESTful APIs**, real-time projects, and version control with **GitHub**.
- Participated in team discussions and code reviews to improve project quality and maintain best practices.

Selected Projects

Internship Website

- **Developed a responsive web platform** using Next.js and Tailwind for listing and applying to internships
- **Created an interactive application form** with Formik and Yup validation for user inputs.
- **Link:** <https://codestrup.in/>

Tunez

- **Developed a music streaming website** using Next.js and TypeScript for enhanced performance and scalability.
- **Designed an interactive UI with Material UI**, ensuring a modern and user-friendly experience.
- **Still working on improvements**, including better UI enhancements

Figma Design

[Link](#)

- **Description:** Figma Prototype Designs.
- **Technologies:** Figma

Education

Bachelor of Engineering (73.56 Percentage)

2018 - 2022

Abha Gaikwad Patil College of Engineering, Nagpur

Full Stack Java Developer Course

Nov 2022 - Dec 2023

Jspider, Hyderabad

- Completed a **Full Stack Developer** course at JSpider, covering both frontend and backend development.
- Learned **HTML, CSS, JavaScript, SQL, Core Java**.
- Enhanced problem-solving and debugging skills through hands-on coding exercises.

Certification

- **Java Full Stack Development**
- **Figma**
